

SC CITY

Modern and reliable LED park luminaire for lighting parks, public areas, paths or residential areas.

The luminaire is made of die-cast aluminum alloy. Maintenance-free design, easy access to the luminaire including separate optical and power supply parts. Surface finish with RAL7022 powder paint. The luminaire is equipped with CREE XPG3 or PHILIPS LUMILEDS LED chips available in AMBER, 2200K, 2700K, 3000K, 4000K, 5700K colors with a color rendering index of Ra70 or Ra80. The optical part consists of a UV-resistant polycarbonate lens with replaceable optics. The optical part is covered with a UV-resistant clear or opal polycarbonate diffuser. Programmable branded ballasts Philips, Sosen or Tridonic with the possibility of integration into SmartCity systems thanks to the possibility of equipping the luminaire with a ZHAGA connector.

Programming of CLO functions, night dimming, MainsDimm, etc. Integrated 10kV surge protection and the possibility of activating the LED module NTC temperature protection. Possibility of fitting the luminaire with a ZHAGA/NEMA connector, Standard warranty 5 years.

DIMENSIONS

SC CITY

Installation	Column Ø60-76mm / more options STREET variant							
Supply voltage	AC 200 ~ 240 V 50 / 60 Hz							
Connection method	terminal block							
Surge protection	10kV standard (20kV na objednávku)							
Light source	LED CREE XPG3 / LED XTE							
Initial luminous flux	10 ~ 150 W							
LED efficiency	60 ~ 150 lm/W							
LED lifespan	100.000 hours (L90B10 @ Ta =25°C)							
Optics	PMMA, replaceable							
Driver	Philips, Osram, Tridonic							
Power factor	PF > 0,97 (ActivePFC)							
Protection class	Standard Class I, optional Class II							
Lamp cover	PMMA							
Color rendering (Ra70)	AMBER	2200K	2700K	3000K	4000K	5000K	5700K	
Color rendering index	Ra70			Ra80				
Light distribution type	Direct							
Luminaire body	Die-cast aluminum							
Body color	RAL7022, ostatní barvy RAL na přání							
Surface type	Powder paint							
IP protection	IP66							
IK resistance	IK09							
Regulation (optional)	0-10V (standard) DALI (FP, 4DIMM) BLUETOOTH SmartCity IoT							
Accessories (connectors)	ZHAGA					NEMA		
Accessories (optical part)	BLC – backlight reduction							
Operating temperature	-30°C to +50°C							
Standards	EN 60598-1:2015 + A1:2018 EN 60598-2-3:2003 + A1:2011 IEC TR 62778:2014 IEC 62471 IEC 61547:2009 IEC 61000-3-2:2018 IEC 61000-3-3:2013 + AMD1 EN 55015:2013 + AMD1 EN61547:2009 EN61000-3-2:2014 EN61000-3-3:2013							
Warranty	5 years 10 years / 100.000 hours (contractual partners)
